PREAMBLE

The Board of Directors of the Starmont Community School District hereinafter referred to as the "Board" and the Starmont Education Association, hereinafter referred to as the "Association" recognize that the aim of the public schools is to provide a quality education program for children and youth of the School District. The parties further recognize that attainment of this educational objective is a joint responsibility of the Board, the administrative and supervisory staff, the professional teaching personnel of the District, the parents of the students, and the community at large.

Furthermore, all conditions of employment previously agreed to but not included in this document will remain in effect until such time as changed by official Board action. This does not incorporate by reference into this contract any part of this Agreement.

Whereas, the parties have reached certain understandings, which they desire to confirm in this Agreement, it is agreed as follows:

ARTICLE 2

RECOGNITION

A. Unit

The Board hereby recognizes the Starmont Education Association, an affiliate of the Iowa State Education Association and National Education Association as the certified exclusive and sole bargaining representative for all personnel as set forth in the PERB certification instrument (Case No. 149) issued by the PERB on the 1st day of June 1975.

The Unit described in the above certification is as follows:

INCLUDED: All full and part-time professional teachers employed by the Starmont Community School District including athletic directors, guidance counselors, librarians, school nurses, and all instructional personnel who have been assigned or have agreed to extra curricular activities.

EXCLUDED: Superintendents, principals, all service personnel, all nonprofessional education employees, and all other employees excluded by Section 4 of the Act.

B. Definitions

1. The term "Board" as used in this Agreement, shall mean the Board of Education of the Starmont Community School District or its duly authorized representatives.
2. The term "employee" as used in this Agreement, shall mean all professional employees represented by this Association in the bargaining unit as defined and certified by the Public Employment Relations Board.
3. The term "Association" as used in this Agreement, shall mean the Starmont Education Association or its duly authorized representative or agents.

ARTICLE 3

IMPASSE PROCEDURES

A. Mediation

If by one hundred twenty (120) days prior to the certified budget submission date, the parties have not reached agreement upon any item subject to negotiation, or a deadlock is clearly evident earlier than that time, either party may declare impasse. The Public Employment Relations Board (PERB) shall be notified of the impasse one hundred twenty (120) days prior to the certified budget submission date by a letter which shall include a copy of the negotiated impasse procedure. The parties shall continue to negotiate until ninety (90) days prior to the budget submission date. Ninety (90) days prior to the budget submission date the Public Employment Relations Board (PERB) shall be notified of the continuing impasse and the Public Employment Relations Board (PERB) shall appoint a mediator.

The mediator shall meet with both of the parties to resolve their differences and effectuate a settlement of the dispute.

B. Arbitration

If the mediator is unable to effect agreement between the parties by forty-five (45) days prior to the certified budget submission date, the parties may continue to negotiate or either party may call for arbitration, which shall be binding.

The parties shall attempt to agree upon a single arbitrator. If agreement on the arbitrator is not reached within four (4) days after the call for binding arbitration, either party may request a list of five (5) arbitrators from the Public Employment Relations Board. The parties shall determine by lot which party shall have the right to remove the first two (2) names from the list. The party having the right to remove the first two (2) names shall do so within two (2) days, and the other party shall have one (1) additional day to remove two (2) of the three (3) remaining names. The person whose name remains shall be the arbitrator.

The Starmont Board of Education and the Starmont Education Association shall submit to the arbitrator within four (4) days of notification by the arbitrator, a final offer on each specific impasse item including a statement of defense of each portion. Each party shall also submit a copy of a draft of the agreements previously made. The parties may continue to negotiate all offers until agreement is reached or a decision is rendered by the arbitrator.

The arbitrator shall at no time engage in an effort to mediate or otherwise settle the dispute in any manner other than that prescribed in this section.

From the time of appointment until such time as the arbitrator makes a final determination, there shall be no discussion by the arbitrator concerning recommendations for settlement of the dispute with any parties other than those who are direct parties to the dispute.

The arbitrator may hold formal or informal hearings, examine witnesses and documents, take testimony and receive evidence, require the attendance of witnesses and the production of records to assist in making a decision or settlement.

The arbitrator shall consider, in addition to other relevant factors, the following:

1. Past agreements between the parties including the negotiations that led up to such agreements;
2. Comparison of wages, hours and conditions of employment of the involved employees with those other employees doing comparable work, giving consideration to factors peculiar to the area and the classifications involved;
3. The interests and welfare of the public, and the ability of the employer to finance economic adjustments;
4. The arbitrator need not pick an entire "Final Offer", or total subject category as presented by either party but may use his/her own discretion in using all, or none, or any part of either party's "Final Offer". An impasse item shall be defined to mean a "subject category". An impasse item shall not refer to "any word, clause, phrase, sentence or paragraph upon which the parties are in disagreement." (This defines the phrase "impasse item" as used in Section 20.22(3) and 20.22(11) of the Public Employment Relations Act, as interpreted by the Iowa Supreme Court - West Des Moines Education Association vs. PERB and IASB.) 226 NW2d 118.

Within fifteen (15) days after the first meeting, the arbitrator shall give his/her decision. The arbitrator shall give written explanation for the selection of offers and inform the parties of the decision.

The decision selected by the arbitrator and the items previously agreed upon by the Board and the Association shall be deemed to represent the Agreement between the parties.

C. Costs

All costs for mediation and arbitration shall be borne equally by the Board and the Association, except the cost of any representatives of each party shall be borne by that party.

ARTICLE 4

GRIEVANCE PROCEDURE

A. Definitions

1. Grievance

A grievance is a claim by an employee, a group of employees, or the Association that there has been a violation, misinterpretation, or misapplication of any provision of this Agreement.

2. Aggrieved Person

An "aggrieved person" is the person or persons or the Association making the complaint.

3. Party in Interest

A "party in interest" is the person or persons making the complaint and any person, including the Association or the Board, who might be required to take action, or against whom action might be taken in order to resolve the complaint. Anyone who shall be a party in interest shall be bound by any and all decisions rendered herein.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problem, which may from time to time arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. Time Limits

The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

2. Year-End Grievance

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or within a maximum of thirty (30) days thereafter.

3. Waiver

When mutually agreed between the Chairperson of the Association Grievance Committee, or his/her designated representative, and the Superintendent, the First and Second Steps of the Grievance Procedure may be waived in a specific situation. When this happens such grievance will be automatically appealed to the Third Step.

All grievances must be presented within fifteen (15) working days of the date of occurrence of the event giving rise to the grievance, or from the time from such event might reasonably be ascertained to have occurred.

It is understood any informal adjustment of a complaint concluded between an employee and his/her principal shall not establish a precedent in any comparable situation and shall not be inconsistent with any provision of this Agreement.

The Association shall have the right to challenge any adjustment of an employee's complaint through levels 1, 2 and 3 as set out herein below if such adjustment, in the opinion of the Association is in violation of some specific provisions of the Agreement.

4. Level One - Principal or Immediate Supervisor (Informal)

An employee with a grievance shall first discuss it with his principal, with the objective of resolving the matter informally.

5. Level Two - Principal (Formal)

If as a result of the informal discussion with the principal at level one a grievance still exists, the aggrieved person may invoke the formal grievance procedure through the Association on the form set forth in Schedule A. The grievance form shall be available from the Association representative in each building and said form shall be signed by the grievant and a representative of the Association. A copy of the grievance in form shall be delivered to the appropriate principal. If the grievance involved more than one school building, it may also be filed with the Superintendent.

The appropriate principal or immediate supervisor shall indicate his/her disposition of the grievance in writing within five (5) school days of the presentation of the formal grievance and shall furnish a copy thereof to the Association and to the Superintendent.

If the aggrieved person or the Association is not satisfied with the disposition of the grievance, or if no disposition has been made within the five (5) school day period, the grievance shall be transmitted to level three.

6. Level Three - Superintendent

The Superintendent or his/her designee shall meet with the aggrieved person and the Association within five (5) school days of receipt of the grievance. Within ten (10) school days of receipt of the grievance the Superintendent shall indicate his/her disposition of the grievance in writing and shall furnish a copy thereof to the Association.

7. Level Four - Arbitration

Grievances which have been processed through the preceding steps of this procedure and only such grievances shall be submitted to arbitration as provided below:

- (a) If the aggrieved person or the Association is not satisfied with the disposition of the grievance by the Superintendent or if no disposition has been made within the time limits, the aggrieved person and the Association shall meet within five (5) school days of disposition of the grievance to discuss the merits of submitting the grievance to arbitration.
- (b) If the Association determines that the grievance is meritorious it may submit the grievance to arbitration within twenty (20) school days.
- (c) Within ten (10) school days after written notice to the Superintendent of submission to arbitration, the Superintendent and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a written request for a list of arbitrators shall be made to the Public Employment Relations Board (PERB) by either party. The list shall consist of five (5) arbitrators and the

parties shall determine by lot which party shall have the right to remove the first two (2) names from the list. The party having the right to remove the first two (2) names shall do so within two (2) school days and the other party shall have one (1) additional school day to remove two (2) of the three (3) remaining names. The person whose name remains shall be the arbitrator.

- (d) The arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly and shall issue his/her decision not later than fifteen (15) school days from the date of the close of the hearing or, if oral hearings have been waived, then from the date the final statements and briefs on the issues are submitted to him/her. The arbitrator's decision shall be in writing and shall set forth his/her findings of facts, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is in violation of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties. The arbitrator shall have no power to alter, change, detract from or add to the provisions of this Agreement, but shall have power only to apply and interpret the provisions of this Agreement to the settlement of issues and grievances arising hereunder.
- (e) The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

D. Rights of Employees to Representation

1. Employee and Association

Any aggrieved person may be represented at all stages of the grievance procedure by himself/herself, or, at his/her option at levels 2 through 4, by a representative selected or approved by the Association. When an employee is not represented by the Association, the Association shall have the right to be present at levels 2 through 4 as a party of interest and shall have the right to grieve any adjustments of the employee's complaint if such adjustment is inconsistent or contrary to the provisions of this Agreement or any law, policy or practice governing or affecting the employees.

ARTICLE 17

EXPERIENCE

A. Prior Service

1. Plan of Adjustment of Prior Service, the level at which a NEW teacher to Starmont schools may enter the Salary Schedule, shall be according to the following guide:

<u>Years of Prior Service</u> <u>Credit as a Teacher</u>	<u>Level at which Salary</u> <u>Schedule is entered</u>
---	--

Example:

0.....	1
1.....	2
2.....	3 Etc.

Credit for teaching experience prior to coming to the Starmont School system shall be established by the Superintendent.

2. A teacher must have taught at least one hundred fifty (150) days or more in each year of prior service in other school district employment to be considered as a year of prior service.
3. The initial salary of any teacher who has not taught at least one hundred fifty (150) days in any school system the year(s) preceding employment in the Starmont Schools but has had previous teaching experience outside the school district, factors such as length and quality of service rendered in other school systems and recency of prior service and recency of securing college credits shall be considered in determining the level at which the teacher shall be placed.
4. The number of years of prior service shall be established by official written statements properly signed by the Superintendent of schools or authorized officials of other employing schools. Such proof shall be provided by the applying teacher.
5. Experience to be counted as prior service must have been within the preceding ten (10) year period, and where the teaching experience has been broken by a period of four (4) or more consecutive years, the prior service credit shall be reduced by one-half (1/2), or may be reduced to none, at the discretion of the Superintendent.
6. Teachers who discontinue their service in the Starmont School system who are employed later will be given prior service credit in accordance with rules listed above. In no case shall a teacher be placed on the Salary Schedule at a level higher than the level at which the teacher would have been had they remained in the school system.

B. Co-Curricular

1. Credit for co-curricular experience prior to coming to the Starmont School system shall be established by the Superintendent. Full credit will be granted for experience in that activity.

C. Salary Recognition for Experience

1. Days on which a teacher is absent due to sick leave or emergency leave may be counted as days of service only so long as he/she does not exceed his/her accumulated sick leave or days allowed for emergency leave.
2. In order to receive credit for one (1) year's experience for advancement on the salary schedule, an employee must teach a minimum of fifty percent (50%) of said employee's contracted teaching days.

D. Recognition of Academic Credit Used to Determine Classification

1. Credits submitted for advancement on the Guide must be earned at an accredited college or university.
2. Degree personnel may apply graduate credits only toward reclassification. The first ten (10) semester hours of graduate credit will be accepted from any accredited college or university by following the usual process for approval from the Superintendent. These hours need not necessarily follow a graduate program, though this is encouraged. To reclassify on the BA+20 scale, those hours applied must be a part of an approved graduate degree program. To go beyond the BA+20 scale, the teacher must be working on a degree in the field of his/her major responsibility in the Starmont District.

Degree personnel who have earned graduate hours in excess of hours needed to qualify for reclassification on the M.A. reclassification lane must earn the graduate hours after the Master's Degree has been awarded if they wish to apply the hours to the MA+10 reclassification lane. The exception to this is advance training required by state law and taken as graduate level courses. Hours for state-required training earned while working on a Master's Degree, but not part of the degree program, will count toward reclassification.

Graduate hours gained after MA reclassification need not be part of an advance degree program, but must be in the teacher's major or minor field, or in the teacher's assignment area.

3. The term credit as used in this Guide shall be defined as a semester hour. Conversion from quarter hours to semester hours shall be made via--quarter ($\frac{1}{4}$) hours times two-thirds ($\frac{2}{3}$) equals semester hours.
